DATA SHEET

## Mounting Bracket Kit

MBK-17

- This antenna mounting bracket is specifically designed for mounting CCI's Small Cell panel antennas directly to a wall
- Rugged and weather resistant design
- Low profile mounting method
- Two 11 mm holes are provided for installation to a wall or other suitable surface

### Overview

This Mounting Bracket kit is designed for use with CCI's Small Cell panel antennas. The MBK-17 bracket kit delivers a very stable mounting where no mechanical tilt is required. The rugged design supports CCI's antennas while resisting the elements. CCI antenna brackets are designed and produced to ISO 9001 certification standards for reliability and quality in our state-of-the-art manufacturing facilities.

### Applications

- Ideal for mounting our Small Cell panel antenna directly to a wall.
