DATA SHEET

Radio Interconnect

RM-03

- Interconnect system for MTI Radio
- RoHS Compliant

## Overview

Mechanical interface removes the need for RF cable jumpers between radio and antenna.  
Provides RF couplers for each RF path for RF monitoring/sampling.

## SPECIFICATIONS

### Radio Interconnect

RM-03

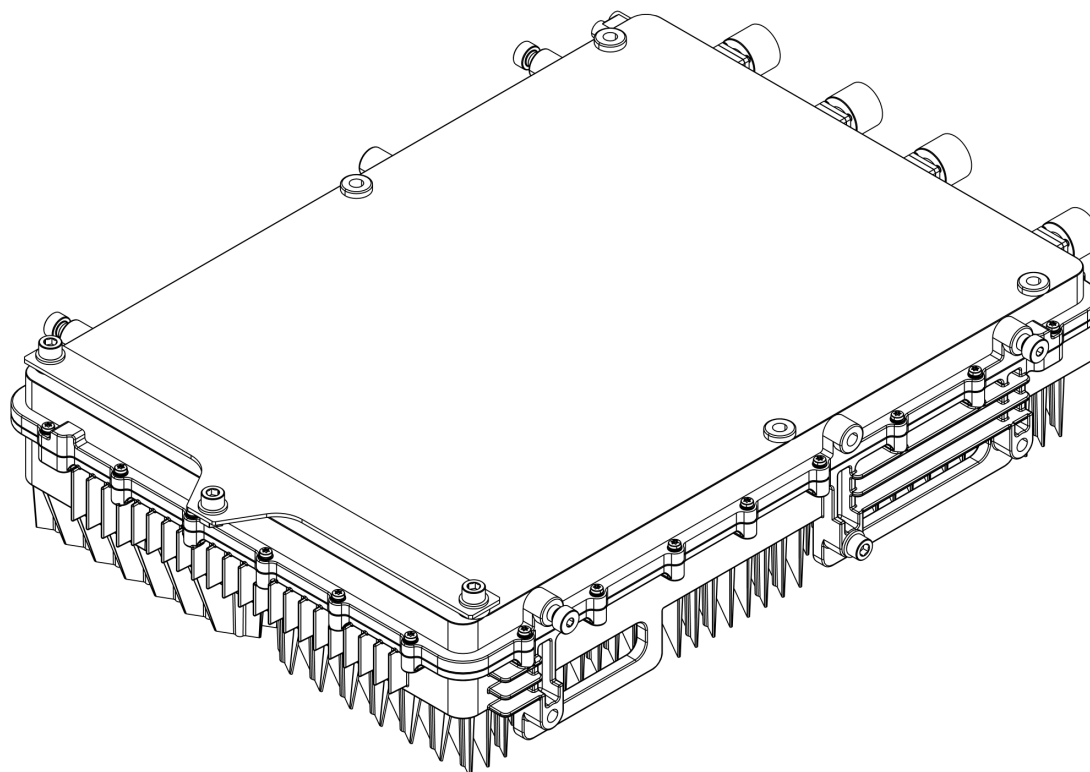

#### Mechanical

**Model Number** RM-03

**Fits Radio** MTI Radio

**For Antenna Models** QPA65R-E5C

**Overall Weight** 1.3 lbs. (0.6 kg) not including radio

RM-03 installed onto Radio

#### Environmental Specifications

**Model Number** RM-03

**Temperature Range** -45° to 70° C
